Letter of Authorization

Dear Sir/Madam,

This is to certify that **SMA Sunbelt Energy GmbH**, a 100% affiliated subsidiary of SMA Solar Technology AG being established a reputable manufacturer of **Solar PV inverters, battery inverters and accessories** having factories in Niestetal/Kassel, Germany, will give necessary technical support, hardware supply and after sales support & spares (based on form, fit and function) on chargeable basis to our partner

to **Team Blau Group Lanka Pvt. Ltd.** 33 Ratnayaka Mawatha, Sri Jayawardenepura Kotte
Colombo, Sri Lanka

Team Blau Group has been appointed as trustworthy partner of SMA Sunbelt in Sri Lanka and other neighboring countries.

The company SMA Sunbelt Energy GmbH is engaged in the development, design, procurement, construction, operation and maintenance of photovoltaic projects around the world. Based on the in-house developed Sunny Island off-grid technology, SMA Sunbelt Energy GmbH takes a comprehensive approach towards hybrid and off-grid projects and delivers bankable state-of-the-art power plant components, providing performance and savings required by the customer. By leveraging SMA Solar Technology's system know-how and market experience, it is possible to deliver hybrid and off-grid plant components that meet the customer's unique local requirements

We provide a standard factory warranty of 5 years on all SMA PV inverters and guarantee high quality of products and its originality issued by SMA Solar Technology AG. Details of SMA's warranty conditions you will find on our website: www.SMA.de.

Yours sincerely

SMA Sunbelt Energy GmbH

Dr. Jens Eiko Birkholz
